Comments

“I learned a lot from the class.”

“Professor had extensive office hours and worked hard to make sure all students understood material. He definitely should teach class again!!”

“Professor was very helpful in explaining anything anyone has questions on multiple times in very simple terms”

“The professor was accessible, patient, and more than willing to provide multiple explanations, review, and individual attention.”

Suggestions

“No suggestions, Perfect!”

“Very knowledgeable and smart professor. Just make lecture more suitable for undergraduates”

“A little more structure”

“Some of the explanations were overcomplicated, such as utility optimization. Perhaps provide homework for more practice - that would have really helped me. Quizzes seemed to touch on more advanced material than covered in class.”
